

The Help Us Grow (H.U.G.) Foundation provides a FREE & engaging reading intervention, character development, and leadership program that enables students to grow into self sustaining learners. H.U.G. promotes social and educational equality allowing them to BE THE DIFFERENCE in their communities.

VIRTUAL H.U.G.

New Ways to Learn!

- ✓ Our *virtual* model allows students to learn from remote location with tutor at a different remote location
- ✓ Our *hybrid* model allows student to learn from school with tutor from remote locations

YOU can help
make a
difference in a
child's life

Give students
the tools to be
successful

Students build
the confidence
to achieve
their potential

Visit our website for more information or to register to become a Student or Tutor *today!*
