

# 2014 Ellen & Milton Cantor Israel Scholarship Fund Application Form

The Ellen and Milton Cantor Israel Scholarship Fund was created by Milton Cantor in 1997 in memory of his wife, Ellen. It recognizes the central role an Israel experience plays in the formation of an American youth's positive Jewish identity. It recognizes that Israel teen programs are seen as somewhat of a birthright, not just a great summer activity. It is designed to provide an annual scholarship to a junior or senior high school student from the Greater Louisville area in order for that individual to participate in an organized educational opportunity in Israel, which will help ensure a strong, educated Jewish presence in the future

The guidelines for application and selection are as follows:

1. Students must make written application to the Ellen & Milton Cantor Israel Scholarship Fund of the Foundation for Planned Giving. (You may email this form to sbromberg@jewishlouisville.org to fulfill this requirement.)
2. Each applicant must submit a written recommendation from his/her rabbi or an appropriate Jewish communal professional, in addition to the completed application.
3. The applicant will commit to participate in voluntary community activities upon his/her return from Israel.
4. The length of the trip shall be approximately four weeks.
